

Lotus Esprit V8 SE (1998)

£67,950.00

General Info

Year	1998
Make	Lotus
Model	Esprit V8 SE
Colour	Azure Blue
Mileage	

Vehicle Description

Azure Blue with Blue Leather

Carbon Interior Trim

In 2022 I was asked by the owner of a substantial collection of very special cars if I would manage the restoration of his beloved Esprit, utilizing my black book of contacts built up over the last 20 years I accepted and was instructed to make it 'as new' and make it more in keeping with the build quality the owner had with his other cars.

The car was in very good condition but the engine required some work, rather than just fix and make do the engine was removed and the world leading Esprit Engineering set about a full no expense spared engine rebuild along with turbos, new clutch and gearbox.

The rolling body was sent to the excellent Steve Downs who fixed any imperfections and repainted the body and aligned the panels to a standard far higher than anything that ever left the factory.

To protect this substantial investment and work once completed it was sent for a full body PPF.

The Stereo system was upgraded with a Blaupunkt Bremen Head Unit, Morel Speakers and a Amplifier.

New Pirelli P Zero Tyres....the list goes on and on.

After huge financial expenditure and the time invested in the car, the car was completed and the owner now spends the majority of his time abroad and being right hand drive he wont use it at any of his overseas properties.

Hence the decision to sell. Its only done 140 miles since the work was completed and those miles have been done by a mixture of Esprit Engineering as

part of their road tests and myself driving it as part of shakedown testing

This is an unique opportunity to purchase what now presents as a 'new' Esprit at a fraction of the cost of the work.

Supplied with 12 months Warranty

Finance available subject to status

International delivery available upon request
